LIVESTOCK

Features

Ratchet Latch

Easy to handle and assures solid control of the animal. Tightens squeeze gate in increments. When locked, stays locked. Overhead rope gives quick, safe release.

Squeeze Gate

Tightens against outside panel to hold the animal secure and swings completely out of the way. Squeeze Gate converts to a 10'x10' pen for treating and holding sick or injured animals.

Outside Flip-Up Panel

1/4 of the gate flips up and locks tight to provide open area on the outside of the pen for nursing, birthing, or veterinarian tasks.

Inside Flip-Up Panel

1/4 of the gate flips up and locks tight to provide open area for easy, safe access to the animal for grafting calves to cows or for correcting nursing problems.

Swing Gate

Tough Gold Quality Sioux Steel Gates made of 50,000 psi, 16 gauge, high-tensile steel tubing.

Head Gate and Frame

Head gate is purchased separately.

OPTION: Headgate Floor Anchor

Heavy 2' wide by 8' long. 9 gauge expandable steel mat with perimeter reinforcements. While animals stand with their feet on the mat, the Headgate Floor Anchor does not allow the headgate or the pen to be pushed out of position.

Most user-friendly calving pen on the market!
